

## CHICHESTER LIONS 50/50 CLUB

### DESIGNATED PROJECT FORDWATER SCHOOL THERAPY POOL

- The project nominated to receive funds from the 50/50 Club is for the purchase of equipment for the new therapy pool at Fordwater School
- **Fordwater School** is a school for children with severe learning difficulties based in Chichester, but providing care and education for children from a broad area in West Sussex. For further information about the school, visit their web site at:

[www.fordwater.w-sussex.sch.uk](http://www.fordwater.w-sussex.sch.uk)

- One of the most valued facilities at the school is its pool and the school has recently raised funds to replace the existing pool, which is over 30 years old, with a brand new therapy pool.
- The Lions Club of Chichester has had a long history of support for the school, including funding the original pool, and we have initiated a project, in association with other local Lions Clubs, to raise £20,000 to fund the purchase of equipment for the new pool, primarily the purchase of specialised sensory lighting.
- Funds raised by the 50/50 Club will be designated entirely for this project until further notice, and the project will also be supported by other fundraising efforts.
- If you wish to support this project but do not wish to join the 50/50 Club, we will be happy to receive designated donations, which can be sent to the 50/50 club administrator.
