4. Please include your name and address, preferably on a separate sheet inside the parcel.

If you have any difficulty, please telephone Richard Hall or e-mail him at sight@chilions.org.uk.

If you are local to Chichester or visiting the area, you can bring them personally to our workshop at The Apuldrum Centre where the spectacles are sorted. A bin is located outside the gate into which the spectacles can be deposited. Let us know when you are coming and if possible we can welcome you and show you what we do.

On our website you can find a list of shops and opticians in Chichester which have our collection bins where spectacles and hearing aids can be deposited.

We have supplied local stores, surgeries, hospitals and opticians with specially prepared collection bins. These have proved a great success. We can provide the signage to other clubs for application to locally purchased bins.

Please contact Richard Hall or email sight@chilions.org.uk to request bin signage or discuss requirements.
